Alternative High School Athletic Field Sites

This map is for graphic purposes only.

Map compiled, designed, and produced by the Geographic Information System Team, July 2003. Alternative High School Athletic Sites provided by the Department of City Planning. Street centerline

The map displays the city of Norfolk, Virginia, with its major roads and water bodies. Two alternative high school athletic field sites are identified:

- Site 1: Foreman Field** - Located near the intersection of 48th St and Hampton Blvd.
- Site 2: Powhatan Fields** - Located near the intersection of 38th St and Hampton Blvd.

The map includes labels for major roads such as I-64, I-264, Hampton Blvd, International Terminal Blvd, W. Little Creek Rd, Thole St, Norview Ave, Chesapeake Blvd, and various local streets. It also shows the Elizabeth River, Chesapeake Bay, and several creeks and waterways.
